Step by step guide to measuring your kitchen space

Include the following information on grid sheet as per example below.

- 1. Start measuring from the corner shown in drawing.
- 2. Measure total length of all walls corner to corner.
- 3. Indicate window & door locations & sizes with individual corner to window/door sill dimensions.
- 4. Indicate door swings and location of electrical plugs & center line of sink, include waterline, floor drain locations and confirm the room height and locations of drop ceilings and bulk heads.
- 5. Indicate appliance locations & sizes on chart below.
- 6. Double check all dimensions – Individuals & totals.

Ceiling Height: _____
